

Wine On Tap

Allan Scott is one of the true pioneers and a name synonymous with New Zealand's acclaimed Marlborough region.

In this range we use a variety of our vineyards to achieve desired characteristics, which are then fused in a finely tuned blend. These wines are consistent crowd pleasers, made in styles to suit most palates.

	150ml	250ml	500ml
Allan Scott Sauvignon Blanc Marlborough	10	16	29

Fresh citrus and nettles with hints of passionfruit on the nose. The citrus and passionfruit follows through to the palate with hints of dried herbs. The wine is perfectly balanced with lovely texture and an appealing finish.

Allan Scott Pinot Gris Marlborough	10	16	29
-------------------------------------------	----	----	----

This beautiful Marlborough Pinot Gris has delicate hints of pear schnapps and apricots. On the palate this wine is soft and smooth and the fruit carries right through to the finish which is soft and rounded.

Allan Scott Pinot Noir Marlborough	10.5	16.5	30
-------------------------------------------	------	------	----

The aromatics in this Pinot Noir are ripe red fruits, intense raspberry and cassis, supported by the well-integrated oak. Delicious ripe strawberry on the palate with a touch of cherry and a hint of dried herbs.

MOJITO:

A treasured favourite all over the world. Feel like you're kicking it in the Caribbean with this beautiful mixture of Santiago Carta Blanca Rum, sugar, fresh lime and mint then topped with soda that will surely make you think of gorgeous sandy beaches and the hot summer sun.

DAIQUIRI:

Following bartending rule 101 (sweet, sour, strong) is all that is required for this beloved classic. Santiago Carta Blanca Rum, sugar and fresh lime is a harmonious combination that reminds you how great simplicity can be.

MARGARITA:

Did somebody say tequila?!?! Drink it in style by going old school like we do. A splendid concoction of El Jimador Reposado Tequila, Cointreau, sugar and fresh lime that will bring inspiration to both the body and the mind.

COSMOPOLITAN:

This one is for you girly girls out there who want something pretty N pink. A royal blend of Finlandia Vodka, Cointreau, cranberry juice, sugar and fresh lime. The aftermath will have you bantering tehe xo all night long :-p.

TOM COLLINS:

Every gin lovers favourite. Simple yet elegant and refreshing, Haymans London Dry Gin, fresh lemon and sugar topped with soda is all that is necessary to create a beverage that will have you wanting to come back for more and more. Mix things up a little by switching lemon to lime to have you a Gin Rickey.

BRANDY ALEXANDER:

This dreamy cocktail is sure to please, creamy and delicious! It's simplicity makes it truly special. Invented as early as 1916, it became a crowd favourite in the 1970's. Try one, you will be surprised!

DARK N STORMY:

A treat for any rum enthusiast. Simplicity and complexity all wrapped into one using Mount Gay Extra Old Rum, fresh lime and Bundaberg Ginger Beer bought all together with a dash of Angostura Bitters. A cheeky reminder that rum is so diverse and delicious.

ESPRESSO COUPE:

Freshly brewed coffee, touch of Kahlua & Vodka plus a kiss of sweetness. Ahhhhh..... a match made in heaven. Invented in the mid 80's by a London bartender the Espresso Martini, well Coupe for us, has become a firm crowd favourite.

BRAMBLE:

Great for any occasion and for those of you who are on the fence about gin. Haymans London Dry Gin, Chambord Black Raspberry Liqueur, fresh lemon and sugar topped off with fresh berries that creates any emotion other than depression and will be certain to impress.

CAPRIOSKA:

The cocktail that is the base for most vodka based cocktails that we enjoy today. Finlandia Vodka, fresh lime and sugar is it and all you need to have a true classic. Give it a bit of Latina flare by switching vodka for Cachaca to give you a Caipirinha.

PIMMS CUP:

You cannot imagine an English summer without this amazing beverage, which has so many variations that it's impossible to define but, fantastic to drink. In our version we use Pimms, Haymans London Dry Gin, ginger ale, lemonade and various fruits that come together to form a concoction which we define as simply melt in your mouth, yummy deliciousness.

PHAR LAP:

With origins as mysterious as the horse it is named after, a Sugarhorse favourite and hopefully yours too. Finlandia Vodka, Chambord, Black Raspberry Liqueur, Apple Sours with a mixture of berries and passion fruit, then blended to make the best smoothie you ever had.

SEABISCUIT:

Only the yanks could make up such a funny name for a horse. But, there is nothing funny about the drink we have created to name after the famous horse of the 1930s and 40s. Just as unpredictable, the seabiscuit will have you wondering what is going on?!?!?! So we won't tell you and leave it as a surprise. Trust an American to keep you guessing.
